Bernie posted:

Dad I love you and I miss you so much. I miss talking to you everyday and hearing your voice. I'll never forget the last time I heard you say "what you doing Bernie?" lol. I'm ok tho, I know you worried about me being here without you and now I understand why, because no one is going to love me and care for me like you. I will use my memories of us to keep me strong. I know you're watching so I'm doing my best to keep making you proud of me.
